

## Health In Tech Partners With 6 Degrees Health to Accelerate Implementation of Level-Funded Health Plans with Transparency, Control, and Predictability

*Brokers and Employers with groups ranging from 5-150 lives will benefit from the partnership's fully integrated, solution-based products for the level-funded healthcare market.*

STUART, Fla., April 12, 2023 /PRNewswire/ -- Health in Tech ("HIT", or "the Company"), the industry-leading insurtech company that delivers disruptive innovation and reimagines self-funded health plans, today announced - to accelerate implementation with 6 Degrees Health to offer a new, value-based, level-funded health plan option for groups ranging from 5-150 lives.

The [fully integrated solution](#) offered by the partnership provides a much-needed option for brokers and employers looking to control costs while still providing quality coverage for their employees. The partnership's value-based, level-funded approach is unique in the marketplace and offers several advantages over traditional Fully Insured and Level-Funded health plans.

Some of the key advantages of the partnership include the following:

### **-Integration where it matters.**

A fully integrated solution that offers a single point of contact for all individuals involved.

### **-Level-Funded FIRM Quotes in 2 Minutes.**

Through the industry's fastest underwriting and broker-quoting platform, [Do It Yourself Benefit Systems \(eDIYBS\)](#), a proprietary technology of Health In Tech, users can produce a proposal in as little as 2 minutes or less.

### **-Professional Plus, a Value-Based Payment Program Blended with Direct Contracts and a Physician Network.**

Professional Plus combines the comfort of a physician network with the savings of reference-based pricing, giving members more flexibility in decision-making and additional comfort for those who prefer contracted providers.

### **-MediShield Legal Defense.**

MediShield provides full legal representation and defense for clients.

"Following on our partnership announcement in January, we are very excited that a new, value-based option for the level-funded healthcare market is fully implemented," said Glenn Hillyer, Chief Growth Officer of Health In Tech, "This partnership will allow us to provide brokers, employers, employees, and TPAs with a fully integrated solution that offers transparency, control, and predictability."
